## **The James J. Hill Reference Library Wins 2010 Bride's Choice Award from WeddingWire**

**St. Paul (January 25, 2010)** - WeddingWire, the nation's leading wedding technology company, just announced the James J. Hill Reference Library has been selected to receive the 2010 Bride's Choice Awards™ for Ceremony & Reception Venue.

The annual Bride's Choice Awards™ recognizes and celebrates excellence in quality and service within the wedding industry, as determined by recent reviews and extensive surveys from over 500,000 newlyweds.

The James J. Hill Reference Library is among the top five percent of all vendors in the WeddingWire community, which includes over 100,000 wedding professionals across the US and Canada. Awards were given to winners across 19 different service categories, from wedding venues to wedding photographers.

'We are very pleased to receive this award. We are continually striving to provide the best quality of service, responsiveness, professionalism, value of cost and flexibility for our newlyweds,' said Beth O'Connor, the Hill Library's Event Coordinator.

The James J. Hill Reference Library has awed and inspired visitors with its historical intrigue and stunning architecture since it opened to the public in 1921. Constructed of Tennessee marble and Minnesota sandstone, it is both a living monument to "the Empire Builder," James J. Hill, and a Saint Paul touchstone, situated on picturesque Rice Park in the heart of downtown.
